

How to make
your own...

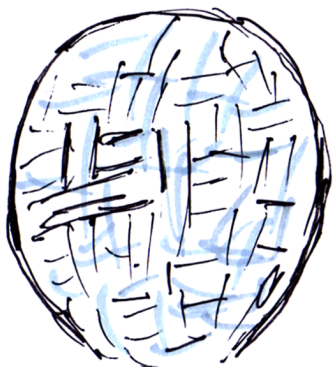

MR EGG

1. blow up balloon (about 25cm)

2. Pin the balloon to the desk or wood

3. Mix 1 part water
2 parts PVA glue

4. Cut strips of newspaper or toilet roll

5. Dip Strips in and cover balloon
crosshatching the strips several times

6. Wait till it dries. Then wait some more (about 24hrs)

7. When hard. pop balloon. Cover top
with toilet roll and PVA glue

8. Paint balloon

9. Add your own Mr Egg details.
see cut outs on the second page
